## CAPABILITY NARRATIVE

NexMile Logistics LLC is a federally licensed freight brokerage (MC# 1625768 | DOT# 4210383) headquartered in Irving, Texas, delivering AI-powered freight solutions to small and medium-sized businesses across the United States. Leveraging Generative AI and intelligent automation, NexMile generates competitive freight quotes in **2–5 minutes** — compared to the 30–60 minute industry standard — while automating 85% of transaction workflows from quoting through invoicing. With a 10+ year founding team and a technology stack providing **60–70% operational cost advantages** over traditional brokerages, NexMile delivers enterprise-grade logistics at competitive rates without compromising service quality.

## CORE COMPETENCIES
